The first Nowell.

The first Nowell the angels did say,
Was to certain poor shepherds in fields as they lay,
In fields where they lay keeping their sheep,
On a cold winter's night that was so deep.

Refr; Nowell, Nowell, Nowell, Nowell,
Born is the King of Israel.

They look ed up an saw a star,
Shining in the east beyond them far,
And so the earth it gave great light,
And so it continud both day and night.

Refr: Nowell, Nowell, Nowell, Nowell,
Born is the King of Israel.
